How Do We Let Our Properties?

1. Our Objectives

The outcome of the lettings process is to ensure that we maximise applicants choice, help sustain communities and ensure that those in greatest need have access to a reasonable preference of property locations and types.

2. Stock Profile and Re-Lets in 2017/18

To help you make an informed choice about where you wish to be considered for re-housing the tables below details the number of properties broken down by area, street, size and re-lets during the financial year 2017/18. The majority of our stock is tenement properties in Elderpark. When completing the application form tick the streets you wish to consider. - No more than two children should normally share a bedroom

- Single elderly applicants of pension credit age will be considered for a two bedroom property
- Adults with access arrangements will be considered for a two bedroom property *

*Subject to applicants signing a disclaimer stating that they will pay the bedroom tax

4. How We Let Our Properties

Priority	Category of Application and Percentage of Lets
1 st	Transfer Waiting List 17% of lets
2 nd	Statutory Homeless
3 rd	Waiting List A Homeless (as assessed by Elderpark) 20% Waiting List B 80%

We let these properties in descending order as follows:

Firstly a quota of 17% of lets go to Elderpark Housing Association tenants

Then we will re-house 'Statutory' homeless applicants referred to us by Glasgow City Council.

It terms of waiting list applicants the waiting list is broken into two groups:

- A** Homeless people as assess by Elderpark Housing will receive 20% of the remaining lets
- B** Waiting list applicants will receive 80% of the remaining lets. These applicants are prioritised in terms of housing needs indicators detailed below. The onus is on the applicant to provide the necessary information before points can be awarded.

The percentages outlined in the quotas are not absolute figures which must be attained. Rather, they show how we hope to ensure a balance in our overall annual lettings to each group.

6. Exceptions

We aim to make the best use of our properties, e.g. an adapted property would be offered to applicants who require such adaptations.

Outwith the points based system the Association may let a property to try and resolve a management issue. This is known as a 'sensitive' let.

If the person is vulnerable and may not be able to sustain their tenancy their application could be overlooked until appropriate support is in place.

7. What Happens To Your Application Form

Before we can process your application we need the following information:

Your name and address, national insurance number, date of birth, household composition, proof of your identity and proof of address within the last 3 months.

We encourage people to call into the office to complete the form. You can receive advice on the prospects of being re-housed in your chosen area and also information about other housing options which may interest you.

In acknowledging your application form we will confirm what points you have been awarded, the size of the property you will be considered for and the category of your application.

Before we can offer you a property we may contact you to verify your details. We also need details of previous residencies and a reference if appropriate from you current or previous landlord. The purpose of this is to confirm your housing circumstances and advise of agencies that may be useful in helping you with your tenancy obligations.

Applicants will be advised at sign up stage that the portion of rent due for that month must be paid, with the exception of people on Housing Benefit and Universal Credit. If no payment is made the offer may be withdrawn.

8. Applicants Suspended from Receiving Offers

Applicants may be suspended from receiving offers in order to protect the interests of the Association, existing tenants and in some cases the applicant. Where we receive information that an application should be suspended, the applicant will be notified right away. They will be advised how long the suspension will last or be given clear information about what action they need to take in order for the suspension to be lifted. Applicants will be advised that they can appeal any decision using our internal appeal procedures. The reasons for suspension are as follows:

- **Tenancy Related Debt**

If an applicant owes a tenancy related debt in excess of one month's rent their application will normally be suspended until such time as they verify that they have kept to an agreement to pay off their debt and they have been adhering to that arrangement for three months or more. When deciding to suspend an application we will take into account the reason for the debt and if it is likely to recur.

- **Abuses of the Allocations Process by Applicants**

Where the applicant has deliberately distorted the information provided in order to gain advantage the Association may suspend an application for up to one year

- **Anti-social Behaviour**

Serious anti-social behaviour including racial harassment, drug dealing, noise pollution, vandalism and acting in a violent and threatening manner which has been confirmed by an official source. Each case will be considered on its own merits and an appropriate length of suspension determined.

- **Voluntary Suspension**

An applicant may advise that they do not wish to be considered for an offer for a period of time. These suspensions will be recorded as voluntary suspension on our system and reactivated in accordance with their wishes.

Offers of Accommodation

We aim to maximise choice by giving you information on the likelihood of being re-housed in your preferred location. This also means you will not be penalised for refusing offers. Should you refuse an offer please provide a reason so that we can better match your requirements to available properties.

Failure to respond to Communications

We hope you can understand that to manage the waiting list effectively we need up to date information. This means that should you fail to respond to communications regarding additional information or in relation to an offer of housing we will invite you to review your application. The procedure will follow that for the waiting list review and failure to confirm your desire to remain on the list will result in your application being cancelled.

9. Why Would Your Application Be Cancelled?

An application will be cancelled from the list under the following circumstances:

- **When an applicant has been re-housed**
- **When an applicant did not reply to our waiting list review**
- **When an applicant has requested that the application is taken off the list.** (In such circumstances we will ask for this to be confirmed in writing)
- **When an applicant dies**

10. How Do You Appeal?

If an applicant is dissatisfied regarding any decision made during the allocation process, he or she has the right to appeal. For example, the applicant may be of the opinion that the points awarded do not reflect the circumstances accurately, or that their application should not be suspended. The appeal goes to the Housing Manager; if the applicant is not satisfied it is passed to the Association's CEO. If the applicant is still not satisfied the appeal is heard by the Management Committee.

Details of how to appeal are provided in a separate information sheet to all applicants. The applicant may be required to provide evidence to support their appeal.

11. Complaints

Appeals must be distinguished from complaints for which a separate procedure exists. For example, complaints could involve applicants not receiving offers of housing that they are entitled to, or our failure to provide services in line with our customer service standards.

Details of how to complain are contained in a separate leaflet entitled 'Complaints Booklet' which can be obtained at our main office or via the website: www.elderpark.org. The complaints procedure details the timescale the Association has to resolve different types of complaints. If you are dissatisfied with the outcome of your complaint after the Association has completed its investigation or to seek other independent advice you can contact the:
