Introduction

This is the Written Statement of Service for the provision of a factoring Service by ELDERPARK HOUSING ASSOCIATION LIMITED, REGISTERED UNDER THE Cooperative and Community Benefit Societies Act 2014 (Registered Number SP1840R(S)0 being a recognised Scottish Charity (Charity Number SCO32823) and Registered Property Factor (Property Factor Registered Number PF000197), Registered with the Information Commissioner’s Office’s Data Protection Public Register (IOC Registered Number Z5468445) having its Registered Office at 65 Golspie Street, Glasgow, G51 3AX. We ‘Elderpark Housing Association’ are referred to as “the Association” in this document.

We want to be Glasgow’s most transparent and open Factor. The vision for our factoring service mirrors that of the rest of the services we provide. Elderpark Housing will lead the way in delivering outstanding customer service and great places to live

This Written Statement is not a legal document but outlines the service delivery standards you would expect from us and aims to explain how decisions are made.

In compliance with the expectation of the First-tier Tribunal for Scotland Housing and Property Chamber, we aim to demonstrate how our actions compare with our written statement of services and in doing so comply with the Property factors Code of Conduct. **Information on this code can be found on <https://www.gov.scot/publications/property-factors-scotland-act-2011-code-conduct-property-factors/>**

A copy of the latest written statement of services is available on request by a homeowner and can be viewed on our website. Changes resulting from a review of the written statement will be indicated or separately noted in a ‘summary of changes’ document attached to the revised version.

1.0 Our Authority to Act as A factor.

1.1 How the Association Became your Factor.

Please refer to Schedule 1, Part 2, annexed for details of how the Association became your factor.

2.0 Core Services

2.1 Overview

The Association will provide the core services set out in Schedule 1, Part 3, annexed. The Association will have no liability for any failure to instruct repairs on its own initiative following a visit to a property and the block of which it forms part.

The charges for core services are detailed in your quarterly invoices.

2.2 Delegated Authority

Elderpark Housing Association has the delegated authority of the owners within the block to instruct and carry out the core services which include repairing and maintaining the common areas and organising buildings insurance.

Authority is commonly described as repairing and maintaining the common area and organising building insurance.

The association's authority to carry out all repair work without your consent is capped and this delegated authority is designed so that common repairs can be completed with timescales, minimise costs and prevent further damage.

The cap is currently £1000 per block. This is based on anticipated cost and the sum can be reviewed annually in consultation with residents.

The Association may instruct works above the cap without consultation if the works are required in an emergency or if it considers them justified on the grounds of health and safety compliance. In these circumstances, the Association shall recover the costs of that work in terms of Part 4 of the Schedule annexed.

The Association will not provide homeowners with notification of repairs or updates regarding the progress of common repairs works, including estimated timescales for completion unless the cost threshold for the works exceeds our delegated authority.

If emergency works are instructed the Association will notify the owners of the works as soon as possible after the works have been instructed.

2.3 Additional Services

Works in excess of Delegated Authority

The Association may provide services out with the core services as set out in Part 3 of the schedule annexed if it is authorised by the owner-occupiers within the block or development to do so in accordance with the provisions of your title deeds. The consultation process will be followed: All owners are required to provide up to date email and mobile phone numbers to enable the Association to carry out paperless surveys and consultations whenever appropriate to do so. Owners who do not have access to email or smartphones should make us aware of this in order to be included in the process. When consulting on repairs where the Association has the majority share paperless consultation will be used. When consulting on repairs where the Association does not have the majority share paperless consultation will be used where appropriate with paper versions being made available to owners who have advised us that they do not have access to email or smart phones, or, paper consultations will be carried out. In all decisions where the Title requires it, a meeting or ballot will take place. The cost of such additional services will be confirmed to all of the owners within the block or development prior to the work being carried out and the costs of carrying out the work shall be apportioned in accordance with Part 4 of the schedule annexed of this Agreement.

If the anticipated costs of an additional service exceed £1000 the Association will seek out quotations. The procedure for quotation is that:

- Where the anticipated costs exceed £1000.00 but are less than £5000.00 two quotations will be obtained.
- If the cost exceeds £5000.00 the Association will obtain three quotations.

2.4 Major Works

The Association may provide major works services including replacement and improvement (i.e. works not set out in core services) if it is authorised by the owner-occupiers within the block to do so all in accordance with the provisions of your title deeds. This work is not covered by the Management Fee.

Where the Association has been instructed to provide additional services they will, prior to commencement of the works, provide all homeowners with an anticipated start date and timescales for completion. If a significant delay in the completion of the works is anticipated, the Association will advise the owners accordingly.

If the anticipated costs of an additional service exceed £1000 the Association will seek out quotations. The procedure for quotation is that:

- Where the anticipated costs exceed £1000.00 but are less than £5000.00 two quotations will be obtained.
- If the cost exceeds £5000.00 the Association will obtain three quotations.

Please refer to the consultation process as detailed in 2.3 above.

For more information follow the link to <http://www.elderpark.org/owners/> and check out our Factor Policy Document: Appendix 111 in our Factoring Policy for Obtaining Quotations and Instructing Works.

2.5 Timetable for service delivery.

Below is a timetable of the list of services

- Any changes in factored property or land in management will be reported to the Scottish Government's Property Factor Register annually by 30th June. You can search this register by following this link <https://www.propertyfactorregister.gov.scot/PropertyFactorRegister/>
- Issue a summary of the block insurance to owners by the 30th of June each year.
- Conduct a survey of owners by 31st March each year.
- Review the Factoring fee annually in January / February
- Provide a program of cyclical repairs, annually by the 31st March

2.6 What do we do for your management fee?

The management fee pays for providing core services to our customers such as:

- New development set up, such as IT, the share of costs and deed of conditions
- Identifying all work required to common areas by quarterly site visits by the Estate Management Inspector to all flatted accommodation and estates.
- Instructing works covering landscaping, day to day repairs, cyclical maintenance, and major improvement work
- Liaison with owners over their adherence to clauses in the deed of conditions.
- Dealing with nuisance complaints from owners and about owners and their tenants
- Tendering for contracts and monitoring that contracts are carried out satisfactorily, with 5% post inspections being carried out. Procurement Policy - Elderpark's aim in its procurement approach is to provide a high quality, fit-for-purpose procurement Service which will provide best value for the association and to support in the delivery of its corporate aims and objectives.

Our procurement activities are intended to ensure our compliance with the following statutory guidance and regulations:

- Procurement Reform (Scotland) Act 2014
- The Public Contracts (Scotland) Regulations 2015
- The Procurement (Scotland) Regulations 2016
- Guidance under the Procurement Reform (Scotland) Act (Scottish Government, March 2016)
<https://elderpark.org/wp-content/uploads/2019/10/G-28-Procurement-Policy.pdf>
- Dealing with specific queries from residents about the nature or standard of works and their accounts. This includes providing copies of invoices (however charges can be made if an owner makes repeated requests)
- Processing payments of works and contractors invoices including a share for consultation fees
- Issuing quarterly invoices
- Collecting and accounting for payments.
- Debt collection action against non-payers or late payers, including letters, phone calls, home visits.
- Offering owners money advice from our Financial Inclusion Officer
- Arranging building insurance cover. Liaison with insurance companies regarding any claims and overseeing remedial work.
- Producing leaflets, written statements, and quarterly newsletters, and holding adhoc meetings, and conducting an annual survey.
- Where possible provide information on building control warranties and building guarantee warranties.

3.0 Financial Arrangements

3.1 How Are Common Costs Shared?

You are responsible along with the other owners in the block for a share of the maintenance and repairs carried out in relation to the block. We allocate the cost of the works based on a percentage as set out in your Deed of Conditions. This is known as your share of costs and the percentage you pay is detailed in the invoice, which we send you each quarter. Part 4 of the schedule annexed details the share of the common charges payable by you for your property. All charges, assessments, and outgoings for water, electricity, fuel, telephone, and public or statutory utilities payable in respect of the common parts of the block will be charged as per your title deeds and in accordance with Part 4 of the Schedule annexed.

If the Association agrees to undertake additional works/services, or carry out work that exceeds its delegated authority it will seek the authorisation of the owners in line with the title deeds. The Association will provide the owners with details of the anticipated costs of the works and may, at their discretion, only carry out works when they have been paid in advance by all of the owners for the full amount of the estimated costs. Any reconciliation of costs during or following completion of the works shall be made by the Association and notified in writing to the owners. Any money due to or by the Association following such reconciliation shall be paid in full by the relevant party or parties within 28 days of the said written notification.

Where the Association has been unable to recover the cost of any major works from an owner(s) in a block the Association may seek to have a repayment charge registered over the [property utilising the 'missing share power' provided in the Tenements (Scotland) Act 2004 and the Registered Social Landlords (Repayment Charges)(Scotland)Regulation 2018.

3.2 The Management Fee and Core Service Charges.

The management fee pays for the staff time to perform all the services listed in section 2.1 under the heading Services Provided. It also covers overheads. Part 5 of the Schedule annexed sets out the current Management Fee.

The fee is worked out so that the Association can cover our costs. We do not make a profit out of providing this service. We review our management fee annually between January & February. When reviewing the fee we take into account a number of factors, which include staff overheads, business expenditure, inflationary pressure on costs, and comparisons with other factors. **If the reviewed management fee increases by more than RPI, at the review date, we will consult with you before implementing any change. A report on the consultation will be presented to our Committee before making a final decision. You will be notified no later than July that the Management Fee has increased from 1st April, each year.**

The Management Fee is set at two rates. Houses pay 75% of the rate set for flatted accommodation. This reflects that although many of the costs are fixed, houses do not receive the same level of repair work as flatted accommodation.

The service charges for core services vary depending on the type of property you live in. We bill you your share of the costs based on what the contractor has charged us for doing the work. Pricing of work is based on contractual arrangements, which have been negotiated with various contractors. These contractual arrangements apply equally for both factored and rented accommodation.

3.3 Floats and Sinking Funds.

The Association does not operate a float to pay for core services and repairs. Instead, we pay upfront for your repairs and services and you reimburse us by paying your quarterly invoice on time. This arrangement benefits owners in that there is continuity of service delivery. Owners are not dependent on whether their neighbour has paid a float in order to receive these services.

We operate a sinking fund for the block at 1 Clynder Street: please refer to Part6 of the Schedule annexed if you own a property at 1 Clynder Street.

3.4 Billing procedures

We issue by post or email clear, itemised invoices for the previous quarter within 4 weeks of the period ends as follows:

Quarter	Invoices sent by
1. 1st April - 30 th June	31 st July
2. 1 st July - 30 th September	31 st October
3. 1 st October - 31 st December	31 st January
4. 1 st January - 31 st March	30 th April

The quarterly invoice will detail repairs and services specific to your property, building insurance, and a management fee. A description of the repairs, the total costs of the repair, the percentage you pay, and your actual share of the costs are detailed in our invoice. The

invoice will also detail the balance on your account. Should you have a query about any charges please contact our main office.

When there is an agreement to do large improvement works we may require payment in advance. Such monies are held in trust until the work is complete.

All owners are issued with a cyclical maintenance plan of anticipated works by 31st July each year. This includes-anticipated costs. The cost for cyclical work, like all factoring charges, can be paid monthly by direct debit. This is based on an estimate of future costs.

3.5 How to Pay.

We offer a variety of payment options to suit our customers' needs:

- **All pay swipe cards At Post Office or Pay-point**
- **Direct Debit**
You can set up a direct debit, which can be set up weekly, fortnightly, or monthly and based on what your anticipated costs will be. Whilst the Association will endeavor to review direct debit contributions on an annual basis you should note that it is the responsibility of each owner to ensure that their monthly direct debit contribution is sufficient to cover ongoing costs and any outstanding balance. Owners will be notified in advance of any proposed changes to payments. We reserve the right to pursue outstanding balances through our debt recovery process if our monthly payments are not sufficient to cover costs.
- **On-Line Using a Debit or Credit Card at www.allpay.net.**
- **By Phone Via Allpay on 0844 5578321.**
- By phone to our office 0141 440 2244

3.6 Debt Recovery Procedures.

We take a firm, but sensitive approach to arrears recovery. We aim to minimise debt to ensure maximum benefit to all.

Our policy is available online at <http://www.elderpark.org/owners/>. You are obligated to pay your quarterly bill within 14 days. If you fail to pay your bill on time we will remind customers of their outstanding balances.

For those experiencing difficulty paying their bill, they should contact the main office as soon as possible to discuss paying by installment. As part of our service, we offer a welfare rights advice service provided by our Financial Inclusion Officer. Other money advice services, such as advice and help with heating costs, can be arranged through this service. To arrange a confidential meeting contact the main office for an appointment.

There are additional charges for persistent non-payers. We charge a £20.00 late payment fee, to cover the cost of managing late payments for those who **have failed to clear their account before the issuing of the next quarterly invoice**. We reserve the right to apply this late payment notice if we need to issue more than one reminder and it will be recorded on your next bill.

If you are struggling to pay you must contact us immediately to avoid further action being taken against you. If debts remain unpaid we will take court action where appropriate. We will seek to recover the cost of that action from owners if court action is required.

We will also take steps to register a Notice of Potential Liability for any outstanding factoring costs where an owner has a debt of over £250 and has failed to engage with us and come to an acceptable repayment agreement, or, for debts over £500, and will seek to recover the cost of that process from owners. The estimated cost of that process is in the region of £100-150. If owners then settle sums due and a discharge of that Notice is required the cost of the discharge will also have to be met by the owner (estimated cost is £100-150).

4.0 Communication Arrangements

4.1 Dispute an Item on your account.

If you are disputing any item on your account, you should call our office to discuss the matter. We may request that you withhold the payment until the matter has been resolved however all other items should be paid in full.

When you write to us or email us we will:

- Respond within 3 working days
- Acknowledge your correspondence within 5 working days if a full response is likely to take longer (for example, to obtain further information)
- Issue an automated out-of-office response during periods of absence, which will state when staff are due to return.

When you telephone us we will:

- Answer all telephone calls promptly
- Deal with all enquiries immediately, but where this is not possible we will call back within 3 working days, or at an agreed time.
- Ensure that when offices are closed, an answerphone or message service will be in operation.
- Respond to any messages left on our voicemail within one working day or within the timescale specified during a period of absence.

Our normal office opening hours are:

Monday to Friday 9:00 - 5:00

Please note that the office is closed on the first Wednesday morning each month for Staff training.

4.2 Accessing Information

The following information and procedures can be located on our website <https://elderpark.org>
A paper copy of the information will be available on request.

- Debt Recovery Procedure <https://elderpark.org/wp-content/uploads/2018/07/FACTORING-POLICY.pdf>
- Complaints Handling Policy and Procedure – <https://elderpark.org/wp-content/uploads/2021/07/G9-Complaints-Handling-Policy-and-Procedure.pdf>
- Privacy Notice – <https://elderpark.org/wp-content/uploads/2019/10/I1.-PRIVACY-POLICY-Sept-18-1.pdf>
- Registration details with the Information Commissioner’s Office’s Data Protection Public Register – Z5468445
- Consultation Procedure - See Section 2.3
- Procurement Policy - Elderpark’s aim in its procurement approach is to provide a high quality, fit-for-purpose procurement Service which will provide best value for the association and to support in the delivery of its corporate aims and objectives.
Our procurement activities are intended to ensure our compliance with the following statutory guidance and regulations:
 - Procurement Reform (Scotland) Act 2014
 - The Public Contracts (Scotland) Regulations 2015
 - The Procurement (Scotland) Regulations 2016
 - Guidance under the Procurement Reform (Scotland) Act (Scottish Government, March 2016)

<https://elderpark.org/wp-content/uploads/2019/10/G-28-Procurement-Policy.pdf>

Please contact us if you require a hard copy of any documents.

4.3 Complaints

We welcome your views and complaints about the service. This helps us to improve what we aim to provide. It is easy to let us know what you are unhappy about. You can do this by phone, online, or in person. We would prefer to have your complaint in writing, but are happy to receive complaints in any format. We will try to deal with your complaint as promptly as possible as detailed below.

- We aim to resolve complaints within 5 working days.
- Should we need more time to investigate your complaint; a named officer will agree to a course of action with you and keep you informed. We aim to complete the investigation within 20 days. On the rare occasion, it takes longer to investigate a complaint we will seek your agreement to extend the timescale.

Copies of the Complaints Handling Policy and Procedure are available online, at www.elderpark.org. or at our offices at 65 Golspie Street, G51 3AX.

If you are still not happy with the outcome of our internal complaints procedure, you can complain to the Homeowner Housing Panel. This is an independent group set up by the Scottish Government to review complaints against property factors. Their contact details are <https://www.housingandpropertychamber.scot/> Glasgow Tribunals Centre, 20 York Street, Glasgow G2 8GT 0141 302 5900.

The Association's registration number is Property **Factor Registered No: PF000197. We will take reasonable steps to ensure that our Property Factor registered number is included in documents sent to homeowners.**

We will comply with any relevant request from the Homeowner Housing Panel to provide information in relation to an application from a homeowner. The Homeowner Housing Panel does not deal with complaints from non-residential owners. If a commercial owner is unhappy with our decision regarding a complaint, they can have the matter heard independently by the Scottish Public Sector Ombudsman.

Any decision by the First-tier Tribunal regarding our compliance with the Code will be publicly available on our website. Such decisions can be found on their website, <https://www.housingandpropertychamber.scot/>

4.4 Responding Promptly to Your Queries.

Our officers are very visible within your estate or street and staff are happy to respond to issues or questions when you meet them.

In relation to written requests, we aim to acknowledge and /or respond to written queries and emails within 5 days. Should the query require investigation a full response will be made within 14 days.

We will endeavor to return telephone calls by the end of the next working day.

4.5 How we manage your data.

Elderpark Housing Association is subject to the rules set out in the General Data Protection Regulation (GDPR). To allow us to deliver our services to you, we will need to process your personal data (which may be held on paper, electronically, or otherwise) and we recognise the need to treat it in an appropriate and lawful manner.

Information about Elderpark's, Privacy Policy, Fair Processing Notice, Data Sharing Agreement Data Protection Addendum and Data retention Periods can be found by following this link, <https://elderpark.org>

We will survey owners using a digital format, and therefore will seek to collect information such as smart mobile phone numbers and email addresses.

5.0 Declaration of interest.

We aim to be transparent in our contractual arrangements and declare if we have financial or other interests in the property we manage.

5.1 Does Elderpark HA Have any interest in Your Tenement Block or Estate.

Please refer to Part 7 of the Schedule annexed to find out what interest the Association has in your block or estate.

5.2 Building Contractors and Insurance.

In relation to appointing building contractors the Association:

- Receives no fee, commission, or benefit from appointing a contractor, with the exception of Community Benefit clauses.
- Has no financial or other interest with any appointed contractor.
- We will pursue the contractor or supplier to remedy any inadequate work or service.
- Documentations relating to any tendering process are available on request (excluding any commercially sensitive information).

In relation to procuring and charging building insurance. No charges are levied to homeowners concerning procuring or administrating insurance cover and the Association receives no fee or benefit from the company providing the insurance cover.

The building reinstatement values are ascertained annually in line with the current RCIS (Royal Chartered Institute of Surveyors) rebuilding cost index.

6.0 Changing Your Factor.

We believe we offer you value for money and a professional service. However, if you want to consider changing your property factor, you need to follow the process as set out in your title deeds. Before embarking on this process check out what it says in your Deed of Condition.

In the event that the title deeds do not hinder you from changing your factor, you can ask for a meeting of all property owners to discuss your property management options. At this meeting, we will

- Agree what information we may share with the new, formally appointed, property factor (subject to data protection legislation) and any other implications for homeowners
- Signpost you to any relevant legislation for example the Title Conditions (Scotland) Act 2003 and the Tenements (Scotland) Act 2004.
- Organise a vote for your choice of property factor
- Should you appoint a new factor agree a date for the management responsibilities to pass to them.

If homeowners or Elderpark HA decides to terminate their factoring arrangement, we will provide homeowners with financial information relating to their accounts 3 months after the termination date unless there is a good reason not to (for example awaiting final bills relating to contracts that were in place for works and services).

Refund all funds due to homeowners (less any outstanding debts) automatically at the point of settlement of final bill following a change of property factor.

For the purpose of instructing the Association on factoring matters, each owner in the block shall usually have one vote for each property owned by them. If the title deeds for the development allocate votes on the matter of factoring/maintenance/repairs in a different manner, those provisions shall prevail and shall be adhered to by the Association in carrying out the factoring. Where a property is owned by more than one person and the owners cannot agree that vote is disregarded.

If factoring services transfer to another factoring company, we will liaise with the newly appointed factor concerning all relevant information, provided they have been formally appointed in line with the Title Deeds and we are able to do so in line with GDPR. This process may require letters of authority from the majority of homeowners to confirm their instructions on the information they wish to be shared.

7.0 Change of Ownership

Each owner shall ensure their solicitor notifies the Association of any changes in ownership of their property. On receipt of notification of such sale, the Association will liaise with the seller's solicitor and arrange to apportion the charges upon completion. A sale administration fee of £45 (subject to annual review) will be applied to the seller's final factoring invoice to reflect the additional administration involved in this process.

In cases where a property changes ownership, Elderpark Housing must return any funds due, (less any outstanding debts). We will provide homeowners with financial information relating to their accounts 3 months after the termination date unless there is a good reason not to (for example awaiting final bills relating to contracts, which were in place for works and services). This is conditional on the homeowners providing us with **4 weeks' notice of the pending change in ownership.**

The expected month of the final invoice issue will be confirmed to the sellers' solicitor within the written correspondence. We will ask that the solicitor acting in the sale retain an appropriate sum to meet the final invoice.

Final factoring invoices will be issued to the sellers' solicitor for settlement and will include the Sale Administration Fee and any refund due. If the final invoice should not be issued to the

seller's solicitor, this should be confirmed in writing and the correct forwarding address should be provided.

On request, Elderpark HA has a written procedure for dealing with refunding advance payments made as a result of a change of ownership.

8.0 Private and Commercial Letting

If an owner privately lets their property, be it a residential property or a commercial one, the Association will pursue the owner for payment and not the tenant as any factoring debt is due and payable by the owner of the property and not the tenant. A lease will regulate the agreement between the owner of the property and their tenant. Any sums due in relation to common repairs and factoring are payable by the owner of the property and any enforcement action will be taken against them. It is the responsibility of each landlord to ensure we have adequate contact details on file and the correct forwarding address for all invoices and correspondence. Failure to provide this could result in important information being missed and factoring debt accumulating.

9.0 Repair Service

You can report a repair by the following methods by:

- On our Website <https://elderpark.org/your-home/repairs-improvements/report-a-repair/>
- telephoning 0141 440 2244
- visiting our office at 65 Golspie Street, Glasgow, G51 3AX.

Elderpark tenants and staff can also report common repairs. Repairs are dealt with depending on the nature of the repair as follows:

Common Day-to-Day Repairs

Repairs relate to the common parts of the property, which are outlined in your title deeds. In flats, this often includes the roof, the close, the backcourt, common boundaries, and the tenement structure.

Emergency Repairs

If in our opinion work is necessary for the safety/health of the occupiers and the public, or to safeguard the integrity of the building, we will authorise the required works. If we think the anticipated costs will exceed £1000.00, we will notify you as soon as practically possible.

Programmed or Cyclical Repairs

Based on common inspections we will send you a cyclical maintenance program to ensure that the common areas are maintained to a good quality, which will ensure sustainable housing. Any Consultation will be carried out as per the title deeds.

10.0 Building Insurance

One of our legal responsibilities as your factor, as set out in your title deeds, is to arrange building insurance. Where insurance is in place, owners will receive an annual Summary of Cover, which includes full reinstatement, and premium at renewal. Where insurance is provided by the Association the rates are subject to regular competitive tendering and are reviewed annually. A copy of the current Buildings Insurance Policy Summary is appended at Schedule 1 Part 8 which provides details of the insurer, the total sum insured, any excesses which apply, and a summary of the policy information for property cover.

Full details of the insurance is available on request. The insurance cover will insure against prescribed risks, such as fire or flood (see section 18 of the Tenements (Scotland) and the Tenements (Scotland) Act 2004 (Prescribed Risks) Order 2007 (SSI 2007). Your building insurance is included within the Association's block policy, which also covers our rented accommodation. As this is Block insurance covering all the Association's property, we will only consult owners on any substantial change to the cover provided by the policy, if it relates specifically to homeowners. Any changes to the insurance cover/premium/policy excess etc. will be communicated to you in writing on an annual basis.

You are charged a quarterly premium, there is no administration fee, and the premium is based on dividing the total cost by the number of properties we own and factor.

For more information on the perils covered, the excess, and how to make a claim check our website <http://www.elderpark.org/owners/> under Factoring policy documents or contact our Director of Maintenance.

The target time to settle insurance claims for common property areas will be within 30 days of receipt of all relevant information necessary to process the claim.

If the proprietor has the authority within their deed of conditions to opt-out of the Association's block insurance they are legally obliged to have adequate building insurance and to allow neighbours to inspect your policy and ask for proof that your premiums are up to date.

Where owners are entitled to take out their own buildings insurance for their property they may be required to provide evidence that insurance is in place and covers the share of the common parts of the building. The Tenements (Scotland) Act 2004 provides that there will be compulsory insurance for all flats within a tenement. That Act stipulates that the duty of an individual owner to insure his or her own property should be for the reinstatement value and not the market value. This is an absolute requirement, irrespective of any provision in the title deeds.

Given this statutory responsibility and this liability for common property areas, homeowners must ensure that in the event that they arrange their own property building insurance this must include insurance cover for the reinstatement of the common property areas otherwise the homeowner may be liable for works costs not covered by their insurance cover.

If a claim requires to be made on the common building insurance, each owner will be required to contact the insurance broker whose contact information will also be provided on the Annual Summary of Cover provided by the Association. The Association will not submit insurance claims on behalf of owners unless the damage relates to common areas of the building. Any decision on whether a claim is settled or not is the responsibility of the insurer and not the Association.

Owners can access house contents insurance through a scheme administered by the Scottish Federation of Housing Associations. For more information contact Helen Rowan, Housing Services Officer on 0141 440 2244.

11.0 The Roles and Key Contact Details:

The Association operates out of 65 Golspie Street Glasgow G51 3AX. The key people in terms of service delivery are:

1.0 Helen Rowan, Housing Service Officer - Payments, Accounts, Changes of Ownership & Non-Repairs Complaints

Tel No. 0141 440 2244, Email housing@elderpark.org

Office Opening hours 9.00 - 5.00 Monday to Friday. Closed for training on the 1st Wednesday morning of each month.

2.0 David Adam, Director of Maintenance - Common Repairs, Insurance, and Repair Complaints.

Tel No. 0141 440 2244, Email maintenance@elderpark.org

Property Address: XXXX

A description of use and location of the area to be maintained are XXXX

Common areas within the residential tenement block at: Name & Address

Communal hard and soft landscaping within the residential estate known as XXX

Part 2: How we became your Factor

The Association became your factor either by:

We are named as the factor in your Deed of Conditions. This is a legal document that is part of your title deeds. It explains how the common parts of your tenement or estate should be managed. It covers issues such the management, maintenance, insurance, repairs, voting rights, and carrying out improvement work. Your solicitor should have explained your title deeds when you purchased the property. Elderpark may be able to give you a copy of your deeds or you can get a copy from the Registers of Scotland (www.ros.gov.uk) who will charge you. You can contact them on 0845 607 0164 or at customer.services@ros.gov.uk

Or

We were appointed as a factor by a majority vote.

Or

We were already the factor of your block when you bought your property.
