1 Introduction

1.1 This policy sets out how Elderpark Housing Association Limited (Elderpark) views domestic abuse, and how we will respond to and seek to deal with any reports of such abuse affecting tenants or members of their households. The term 'abuse' covers violence as well as verbal or other forms of abuse. The policy is supported by procedures.

1.2 Elderpark believes that domestic abuse presents one of the highest risks to personal safety and is unacceptable. Elderpark will therefore take the strongest action possible against perpetrators of domestic abuse where it has the power to do so and with the consent of the victim.

1.3 Elderpark will deal with all reports of domestic abuse as an emergency and respond to them within 24 hours. We will assist the victim to reach a decision which they feel best secures their safety by:

- reviewing their accommodation
- providing additional security measures if required
- making the appropriate referrals to specialist support services if consent is given
- enabling the level of assistance they want within the scope of our service levels and including utilising outside agencies as appropriate, and
- taking action against the perpetrator which the victim and we feel is most appropriate

1.4 Definition – Elderpark will use the Scottish Government's definition of domestic abuse

"Domestic Abuse, as gendered based violence, can be perpetrated by partners or ex partners and can include physical abuse (assault and physical attack involving a range of behaviour), sexual abuse (acts which degrade and humiliate women and are perpetrated against their will, including rape) and mental and emotional abuse (such as threats, verbal abuse, racial abuse, with-holding money and other types of controlling behaviour such as isolation from family and friends. It can be characterised by a pattern of coercive control often escalating in frequency and severity over time."

Source: National Strategy to Address Domestic Abuse in Scotland, Scottish Partnership on Domestic Abuse, Edinburgh, November 2000

Controlling behaviour is a range of acts designed to make a person subordinate and/or dependent by:

- isolating them from sources of support
- exploiting their resources and capacities for personal gain

- depriving them of the means needed for independence, resistance and escape, and
- regulating their everyday behaviour

Coercive behaviour is an act or pattern of acts of assaults, threats, humiliation and intimidation or other abuse that is used to harm, punish or frighten the victim.

- 1.5 Domestic violence and abuse can manifest itself through the actions of immediate and extended family members via unlawful activities, such as forced marriage, 'honour based abuse' and female genital mutilation. Extended family members may condone or even share in the pattern of abuse. Any such actions are not acceptable, whatever form they take.

2 Purpose of the Policy

- 2.1 The purpose of this policy is to ensure that EHA has an accountable process to identify, record and put in place procedures to deal with those tenants that experience domestic abuse.

3 Aims and Objectives

- 3.1 By adopting this policy Elderpark aims to:
- improve overall safety and wellbeing by recognising that domestic abuse is a serious crime which has an adverse impact on the health of individuals, families and communities
 - increase awareness and understanding of this issue amongst residents and employees
 - encourage residents and employees to report domestic abuse
 - facilitate early identification of domestic abuse and offer supportive and effective intervention to reduce the risk of harm
 - improve the safety and welfare of adults and children affected by domestic abuse and prevent further incidents by responding rapidly, effectively and consistently to all reports
 - empower victims by providing information on the options available to them
 - improve the response to victims through effective engagement of appropriate external enforcement and support agencies
 - create a consistent approach for recording and monitoring incidents of domestic abuse
 - inform colleagues of best practice when responding to domestic abuse
 - ensure that all sections are clear regarding their roles in tackling and responding to issues around domestic abuse

4 Legal and Regulatory Framework

4.1 This Policy takes account of the following legislation and guidance:

- The Domestic Abuse (Scotland) Act 2021
- The Equality Act 2010
- Housing (Scotland) Acts 2001 and 2014
- Human Rights Act 1998
- The Matrimonial Homes (Family Protection) (Scotland) Act 1981
- The Domestic Abuse (Scotland) Act 2018 created a specific statutory offence of domestic abuse
- The Homelessness etc (Scotland) Act 2003
- Domestic Abuse A Good Practice Guide for Social Landlords, 2019 – CIH, SFHA, ALACHO, Shelter and Women’s Aid
- Scottish Government’s Equally Safe Strategy for Preventing Violence against Women and girls
- CIH Make a Stand campaign

5 Policy Framework

5.1 Elderpark encourages all tenants and household members to report domestic abuse, whether they are victims of, or witnesses to, such incidents. We will deal with all reports of domestic abuse with sensitivity.

5.2 As part of our arrangements to address domestic abuse we will:

- publicise this domestic abuse policy to all tenants and employees through our website and social media channels and highlight the consequences for perpetrators
- provide advice and information within our office

Survivor-centred approach

5.3 Elderpark will adopt a ‘survivor-centred’ approach in dealing with domestic abuse, i.e. if a person feels they are experiencing domestic abuse we will deal with it under this policy.

5.4 Elderpark will deal with all reports in a non-judgemental manner and in confidence. We will not require victims to take legal action or to contact the Police before we provide assistance.

5.5 Elderpark will only take action with the victim’s consent. The exception to this general rule is where we consider a child is at risk in any situation or if there is a high risk of

serious harm to anyone involved. Where a person is identified as the victim of domestic abuse, any interaction with them will be guided by best practice guidelines.

Confidentiality

5.6 Victims will be encouraged to allow Elderpark to share information with other agencies, including the Police and local authority departments, to ensure that the full range of civil and criminal action can be pursued and appropriate assistance provided. However all information provided by the victim will be treated with the utmost confidence and only passed to external agencies with their proper, informed consent.

5.7 The exceptions to this will be:

- where we consider a child is at risk in any situation, or
- if there is a high risk of serious harm to anyone involved, or
- if we are obliged by law to disclose information

A manager must approve any disclosure that does not have the victim's consent

5.8 Information will be shared with work colleagues on a strictly 'need to know' basis. We will adhere to all current data protection requirements.

Options for action

5.9 Elderpark recognises that every reported case of domestic abuse will be different. Our response will therefore be tailored to the individual circumstances and needs of the victim. When a tenant or household member reports domestic abuse all available options will be discussed and considered with them, including:

- making arrangements for their immediate personal safety
- reviewing and where possible improving the safety and security of their existing accommodation, to enable them to remain there safely
- reporting incidents to the Police, which may result in criminal action against the perpetrator
- where appropriate, legal action against the perpetrator by Elderpark

The safety of the victim and their dependents will be our priority. An Action Plan setting out further actions will be agreed with the victim, and we will regularly contact the victim and keep them updated with progress.

Assistance for victims

5.10 Elderpark will take a proactive and sympathetic approach. Each case will have its own challenges and so the type and level of assistance offered will be finalised by the Housing Manager.

- 5.11 Give those experiencing domestic abuse the choice whether to remain in the property or transfer within Elderpark stock.
- 5.12 Where a resident reporting domestic abuse requests permanent rehousing, Elderpark will prioritise their application as a 'management transfer'. In such cases the suspension policy will not be applicable and we will review and determine the action to be taken on a case by case basis. There will normally be a limit on the number of occasions we will offer this, typically it will only be offered once.
- 5.13 Where a resident reporting domestic abuse needs emergency accommodation, Elderpark will provide advice and assistance on accessing such accommodation provided by the relevant local authority or by a women's refuge. We will provide a referral letter or form where appropriate and advocate on our tenants behalf.

Multi-agency approach

- 5.14 Elderpark will adopt a multi-agency approach in dealing with victims and perpetrators of domestic abuse, to ensure the safety of the victims, meet their needs, co-ordinate available resources, access specialist services, take action against perpetrators and share best practice.

Action against perpetrators

- 5.15 Elderpark will work with the Police and other external agencies in dealing with perpetrators of domestic abuse. Action against perpetrators will depend upon individual circumstances. This may include legal action for recovery of possession against a perpetrator, where other members of the household have left the home due to domestic abuse.
- 5.16 Subject to data protection requirements, we will share information with other relevant agencies so that serial perpetrators are identified and dealt with app.

6 Monitoring of the Policy

- 6.1 In order to comply with its service commitments, the Association will monitor the effects of Domestic Abuse procedures, such as complaints about the process.

7 Complaints and Appeals

- 7.1 Complaints will be dealt with in line with the Association's Model Complaints Handling procedure.

8 Review

- 8.1 The Housing Manager will ensure that this policy is reviewed every five years or when legislative changes or good practice dictate.
